

# Connexus Compact

- Ideal for adding complete functional training to unused spaces like flat walls and corners
- Moveable low, mid and high attachment points offer training flexibility
- Training handles offer easy accessory attachment and accommodate multiple resistance bands for quick transitions and efficient progressions
- Hinged target protects walls by providing a durable surface for explosive throwing exercises with med balls
- Pull-up bar with cushioned touchpoints and a neutral grip position accommodates wide and narrow grips
- Chrome-plated landmine attachment allows trainers to incorporate more explosive power training into programming
- Chrome-plated base anchor offers a convenient attachment point for battle ropes and resistance bands
- Integrated storage space keeps functional accessories organized, out of the way and easily accessible
